WELCOME!

Aloha parents and guardians of the Superkids!

We welcome your child to the Superkids group. The first week will be focused on classroom rules and circle time routines. The following weeks ahead will entail demonstrations of the various materials from each of the Learning Centers: Practical Life, Sensorial, Math, Language, and Cosmic Areas. The students will also have exercises on grace and courtesy as well as care of one's self, others, and the environment.

The children will also become familiar with practical life skills that will help them develop order, concentration, coordination, and independence. The proficiencies they develop will serve as a foundation for all the other skills they will use later in more complex activities.

If you have any questions or concerns, please email us at stjohns_preschool@rcchawaii.org.

Ms. Angie, Ms. Kyah, & Ms. Coco look forward to working together with you in giving the optimal educational experience for your child.

As always, we thank you for your continued support of St. John's Catholic Preschool.

"In our schools the environment itself teaches the children. The teacher only puts the child in direct contact with the environment, showing him how to use various things."
